YEAR BOOK

The Bendigo Amateur Soccer League Inc. wish to thank their sponsors for assistance given to all levels of soccer in the Bendigo District.

Without sponsors all clubs and their members would not have the equipment or facilities they currently enjoy.

The Association ask that all soccer players, administrators and supporters do their best to support those sponsors who support soccer and in particular those who advertise in this Year Book.

FOREWORD

This season will see a return to a more normal season with no disruptions due to the Olympic games. What will change though, are the Senior Men's representative squad's commitments. In an effort to try and raise the profile of soccer in country Victoria, the VSF have initiated a new competition to replace the Country Championships. The 6 country leagues will be split into 2 groups which will play home-and-away games throughout the first part of our club season. Semi-finals between the winners and runners-up of each group will played for a place in the final. The final will be played as a curtain raiser to the Premier League final in August. This will mean some adjustments to local club game scheduling, but with a full season available this year it should all fit in.

The Women's Country Championship format will remain the same as last year with teams from country and metropolitan Melbourne competing in a combined competition for State Champion and the highest placed country team taking out the Country Champion title.

The Junior Country Championships revert to the July timeslot ensuring a much-improved preparation than last year's rushed effort.

The in-principle decision of the committee of management last season to begin a Centre of Excellence program this year will see this league adopt a program to put us on an equal footing with other leagues in the state. It gives our young players access to the best talent development programs available. The interest and commitment of coaches and managers is essential for the success of this initiative and I am sure that this will be the outcome of this program.

Administration of the league undergoes a significant change this year. Due to the diminishing number of volunteers, it has become necessary for some of the more routine administration and clerical work of the Secretary to be provided on a fee-for-service basis. This unfortunately means a rise in membership and running costs of the league, but the alternative of having no league at all was one that I would not have liked to consider.

Last season being my first as president was a great learning experience. There were some lowlights in the year, but on balance they were outnumbered by the highlights. I recognise this is how a team works, and we all share in the failure and success.

On a personal note, I wish to thank those involved in the process to bestow upon me the ultimate accolade of Life Membership of the Bendigo Amateur Soccer League. As I was totally surprised by the award at the presentation night last year, I am not sure my response was adequate. I would just like to take this opportunity to say thank you.

2000 IN REVIEW

Rob Martello

Eaglehawk proved it had the best squad in the year 2000, the 30th year of the B.A.S.L. Both their Division One and Division Two teams dominated and were undefeated. This gave them the League Championship and Knock-Out Cup trophies. Mat Schepers had a great year, also coaching the B.A.S.L. Senior Mens Representative Squad as winners of the Country Championships, defeating Gippsland at home in a close final.

Colts United also had a strong season, going through the championship undefeated, but drawing a few critical matches during the season cost them dearly. Colts Division One and Division Two teams claimed runners-up in both Championship and Knock-Out Cup competitions and the League Cup in Division Two. Mark O'Sullivan took home the Best and Fairest Award in Division Two to add to his trophy cabinet.

Strathdale started the season on fire, winning the League Cup final against Epsom. Throughout the season, although competitive, they just couldn't beat the two top teams but easily came third in the Championship. An added highlight for Strathdale was that Brian Lassey had a good solid year and won the 3BO James Anderson Medal Player of the Year Award for the second time. Joe Cavoli, also of Strathdale, had a great season, claiming the John Webb trophy for Young Player of the Year.

Epsom, Golden City, Kyneton, Spring Gully and Castlemaine all had a varied year with a few surprise results, but lacked consistency.

The Womens Division was clearly dominated by Spring Gully in 2000, winning all three cups. This was achieved by not only great results in not losing a match, but also by playing attractive soccer. Sarah Poyser again had a year to remember, scooping the field with the Best and Fairest Award for the second year running and Best Representative player. Likewise Eaglehawk's Amy Skvarc won the Young Player Award for the third consecutive year.

Colts United were clearly deserving runners-up but couldn't chalk up a win against Spring Gully. All other women's teams seem to have young and inexperienced teams, so expect to see some improvements in coming seasons.

In the Youth Division it was all Colts United, another team that won all three competitions without losing a game. Another highlight for the team was Simon Meehan's feat of topping the Division's top goal-scorer award. Golden City were runners-up in the Championship. Player of the year in this division went to Strathdale's Trent Waterson.

SEASON 2001 PREVIEW

Rob Martello

There are many questions and rumours flying around Bendigo soccer circles, such things as:

Can Eaglehawk go undefeated again and win back-to-back Championships? Will Colts be a force in 2001 with the loss of many key players from last year's young side, and gain of a new coach?

Can Strath finally win a championship with last year's Player of the Year, Brian Lassey, as coach?

Will Epsom regain its Championship winning form of 1998 again in 2001?

Is Kyneton's blend of youth and experience enough to trouble the top sides?

Can the youth of Golden City and Spring Gully bring their clubs to the top of the B.A.S.L.?

These and many more questions will be answered during 2001.

However, the following predictions for 2001 should cause many more questions and only from April to October 2001 will they be answered.

Eaglehawk will again be the team to beat with the biggest squad in the B.A.S.L. and Mat Schepers to lead them. They have lost the experience and strength of Darren and Corey Scoble, but retain the depth to consolidate their hold on the Championship Trophy.

With Brian Lassey as coach, Strathdale will be looking to him for inspiration. Will it be enough to be able to counter the loss of top keeper Graham Lassey, and the talented Cameron Miles who is bound for South Melbourne?

Colts United will be hard hit by the loss of at least 5 players including Steve Butler and may look upon 2001 as part of a rebuilding phase, especially with the new coach, Kiwi Chris Kean, having to start from scratch with unfamiliar players. Colts' youth side may also find the prospect of back-to-back championships a much harder task than last year's clean sweep.

Spring Gully will lose their club's best player from last season - Peter Lenaghan, to university in Melbourne, but could still be a contender for a position in the top half of the table with the return of Darren Scoble as coach and the experienced Grant Lane coming out of retirement. With their many young and talented players they might soon expect a return to the dominant position they held in the early '90s.

Epsom is likely to lose the services of Luke Hercus moving to Melbourne for university, but otherwise looks to have an unchanged squad. New coach Kevin Merchant may get better results to see them matching the top guns.

Kyneton have plenty of experience starting with coach Cameron Plant, but even though tough to beat at home, they may not have the legs to win the championship. They still have the capacity to take any unwary team by surprise, and could cause some upsets, given the right conditions.

Golden City have a new coach in Neil Hudson, who has a great deal of experience to pass on to the mainly young players at the club. City are still rebuilding a team from their strong youth team of past years. They will be looking to be a strong force in the league in the coming years.

It was Spring Gully's year to take out both the League Championship, the Knock-Out Cup and the League Cup for 2000. Showing strong, consistent form throughout the season, Spring Gully were never really challenged for the Championship. Colts United and Eaglehawk put in strong performances at times, but lacked the consistency to be serious contenders.

Spring Gully will be looking to consolidate after a terrifically successful season in 2000. They dominated 2000 with a rock solid defence, a tough and creative midfield and opportunistic forwards, and will, no doubt, be the team to beat for the 2001 season.

Former champions Colts has the potential to be a very good team, though failing to beat Spring Gully in the Championship race in 2000. With its ongoing development and encouragement of younger players, Colts may well be ready once again to seriously challenge for the Championship in 2001.

Eaglehawk continued to team build during 2000. As the season progressed, consistency improved and they caused a few upsets along the way, including finishing as worthy runners-up in the final of the Knock-Out Cup. They look set to take up the Championship challenge again in 2001.

Epsom once again seemed unable to capitalise on their chances throughout the 2000 season despite a strong showing towards the end of 1999. Strong recruitment and consistent form will be vital for Epsom's chances in 2001.

Whilst Strathdale began the season strongly in reaching the final of the League Cup, they failed to capitalise on this potential in the Championship battle. Strathdale must gain stability to be a force in women's soccer in Bendigo by maintaining and developing a core player base. This will help them to reach the depth and strength required for a tilt at the Championship title.

Castlemaine, as always, remained very hard to beat on their home ground. They challenged strongly and played through some very tough matches in 2000 but struggled to find consistent form. Ongoing development of younger players could see Castlemaine as the big improvers for 2001.

Golden City put in some solid performances especially against the stronger teams, but performed inconsistently at other times. Overcoming injuries and player availability problems will be Golden City's challenge for 2001.

continued page 15.....

This year offers the best chances to former champions Eaglehawk and Colts United to challenge Spring Gully for the Championship in 2001.

In 2000, Bendigo saw three young players represent Victoria in the National Championships. Lisa Skvarc (Eaglehawk) and Maika Ruyter-Hooley (Golden City) both played in the Under 14 competition and Riley Lyons (Epsom) played in the Under 17s. All players contributed positively to their matches and all have been invited to continue to seek ongoing Victorian representation.

Congratulations to them all!

JUNIOR DEVELOPMENT

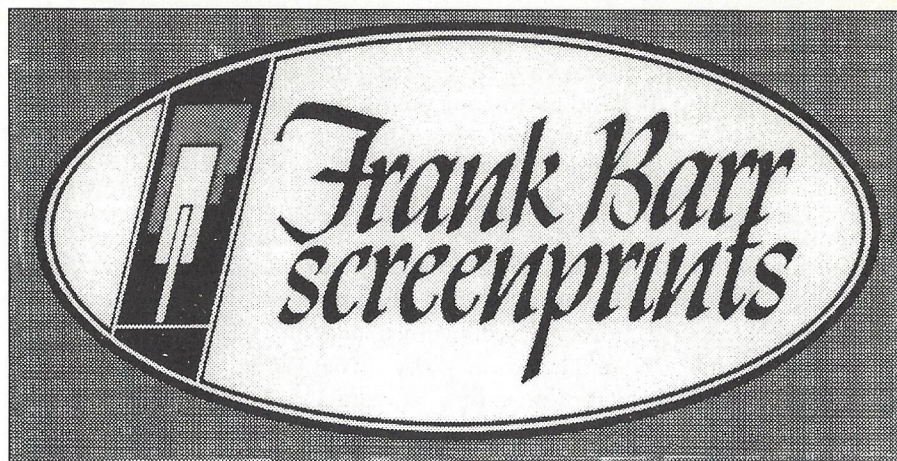

Mention was made in the Foreword of the proposal to begin a Centre of Excellence program in this region. It seems appropriate to reflect on what has been happening in Bendigo for our youngsters over the last few years, to post a snapshot on what has been successful and the paths our youngsters have, and can now take, future directions.

Perhaps the best place to start is with the development of women's soccer and the number of young women who have gone on to represent our state at National Championships - again this year Bendigo was well represented at the Nationals Under 14 Championships by Maika Ruyter-Hooley and Lisa Skvarc and at the Under 17 Nationals by Rylie Lyons. This continues Bendigo's long-standing representation at state and elite level, regular selection since 1991 and most recently, players such as Sarah Poyser, Bronwyn Carey, Jenni Black, Kristen Watts, Amy Skvarc and Sarah Eleveld. During the 1990s the impetus to encourage our girls to compete at an elite level came very much from Loris Browning, who is I believe, still involved with Women's soccer with the VSF.

The year 2000 was also significant as it is the first time that Country Victoria has had team representation at the National Championships for boys. Teams were admitted at Under 15 and Under 16 levels, with David Humphreys representing Bendigo in the Under 15s and in the Under 16s Adam Bell, Dane Butler, Aaron Hall, Adrian Kowal, David O'Brien, Matthew Watkins and Cameron Miles - a significant local contingent. Steve Butler was also invited to manage the Under 16 squad. Both Country State teams performed well in their divisions and several players have gone on to play with various National Youth League teams and Premier League clubs in Melbourne.

This follows a relatively recent tradition of young players like Brendan Moore and Daniel Watkins, both of whom played for Victoria and Nathan Claridge, who won a sports scholarship to the United States, all of whom went on to pursue soccer at a high level in Melbourne along with many senior players. Steve Martin, too, played at Youth and Senior level for Carlton in the National League and is currently playing for Championship contender, Green Gully, in the Premier League. Other players to play recently at National Youth or Premier League level are Alex McDermid, Peter Hancox, Cameron Miles and Trent Waterson. Some other players have been invited, but not all have been able to accept. There are also some youngsters, boys and girls, who travel to Melbourne, some several times a week, to take part in metropolitan competition and Centres of Excellence programs.

This trend reflects a change in the way soccer is developing for country kids. More and more young soccer players are wanting to reach their potential and they deserve the best development opportunities we can offer to make it easier for them. Many of the talented players above were long-term representative squad members and graduates of the Bendigo Academy of Sport Soccer Program which began in 1996.

The proposed Centre of Excellence program which the League has agreed to implement should be up and running towards the end of this season. This would replace the Academy program, but would be better linked to developments across Victoria.

In the meantime the League has auspiced the Bendigo Soccer Development Program proposed by Don Smyth, as a way of implementing the principles and practice of the Centres of Excellence program and the recent Bendigo Academy program for this season. The 12 week program in addition to offering soccer technique and strategy also includes an holistic approach eg fitness testing, nutrition, injury prevention/management, laws of the game and players' training diaries.

The two squads are under the direction of Don Smyth (U11) and Mat Schepers (U12). At the time of printing the program has operated through 9 of the 12 weeks and in that time U11s have played 3 practice matches against Ballarat, Eastern and Southern Centres of Excellence and the U12s have played 3 practice matches against Ballarat, the Eastern (U12) and Eastern (U13) Centres of Excellence. The squads have also had a four hour session with staff of the Victorian Institute of Sport - fitness testing and 2 educational sessions on nutrition and self-management of injuries.

These three programs, the Bendigo Academy of Sport, the Centre of Excellence and the Bendigo Soccer Development Program all offer our best young players

- the same structured development programs as other parts of Victoria
- improved standard and competitiveness of our representative teams and positive promotion of Bendigo soccer
- raising of the standard of the local league through 'better' players and through improved coaching techniques.

Congratulations to all those who have endeavoured to "push the boundaries", both in the past and now, through coaching, supporting, arguing and "making it happen", so that our most talented players are able to reach their full potential. Our thanks goes too, to the Bendigo Bank, Mel McGovern and Ron Poyser, who have provided sponsorship over many years for our representative teams and the Academy Program.

Country Championships 2000

After a drought of nine years, the 2000 Men's Representative squad, led by Matt Schepers and Bob Skvarc, came through the Country Championship as Country Champions, undefeated with a massive 36 goals in the back of the net for the tournament and a fantastic defensive record of only 3 goals against, two of these in a 2 all draw against Gippsland in the preliminaries and the other in the final, also against Gippsland.

As the preliminaries included 6 games, Matt Schepers' tactical expertise was essential in ensuring the minimisation of injury and readiness of the squad to contest what was to be a difficult final.

The final was a tense, hard-fought game, with Gippsland going into the break 1-0 up. Following an own goal by Gippsland in the 70th minute, Bendigo made a determined effort with some great work by Nathan Claridge down the wing and a beautiful cross to Alf "No.15" Longano, who fired an unstoppable shot past the Gippsland keeper in the 82nd minute to put Bendigo into the winning position. It remained only to hold off an onslaught by Gippsland for the remaining 8+ minutes. This was a fantastic team effort, all players representing Bendigo with distinction and pride.

The Bendigo Women's Representative squad finished runners-up to Albury/Wodonga in the Womens Country Championships held at Traralgon. It was Albury/Wodonga's third win in a row in the Championships.

The Bendigo squad was very young but skillful. We made the final by defeating Geelong 13-0 and drawing 2-2 with Albury/Wodonga and 1-1 with Gippsland. In the final, Bendigo took the game up to Albury and played well, being unlucky to trail 1-0 at half-time. Albury however, showed their experience early in the second half with two unanswered goals that decided the game.

Bendigo refused to give in, scoring late in the game. Final score - Albury 3, Bendigo 1. Best players for the weekend were Rylie Lyons, Amy Skvarc, Sarah Poyser, Kristen Watts, Tory Pettit and Kristen O'Connor.

The 1999 Junior Country Championships were hosted by Swan Hill for the first time. Unlike the previous year conditions were warm and sunny, setting the scene for a great weekend of competitive soccer. Our victorious Under 15s deserved their title of Country Champions 1999, sweeping all before them in a relentless and well co-ordinated charge towards four convincing wins from four matches. All squads worked hard against strong opposition, players showing great skill, perseverance and determination. It was a solid effort from all players with the Under 16s and Under 11s bringing home third place in a very tight contest.

Congratulations and thanks to all associated with all Representative Squads.

SOCCKER REFEREES VICTORIA - BENDIGO BRANCH

With our numbers barely holding, it has been difficult this year to cover all BASL games, even with members usually having appointments to two matches each Sunday. It was, however, good to see three first-year referees who are in their mid-teens officiating with great success in the BASL Saturday junior competition.

Marty Boorman has been our nominee on the State Administrative Committee this year. Geoff Boyle and I have continued serving on the State Coaching Panel.

The well-attended pre-season referees' seminar in Bendigo was conducted by State Coach Roger Lamb at the Evolution fitness centre and we thank LaTrobe University, the Bendigo Academy of Sport and Evolution for their continued co-operation and encouragement. Ron Graham and Geoff Boyle conducted our pre-season Fitness Tests.

In June, Geoff and I conducted a referee's Induction Course. All eight candidates passed the exam, and 4 joined the branch to actively referee.

Members officiated in our local BASL competitions, VSF Premier and State Leagues, National Youth League, the Victorian University Games, VSSSA and VPSSA matches and Men's and Junior Country Championships in Traralgon.

Inspections have been long overdue here, but lack of numbers has always been a factor, as active referees do not also act as inspectors. Since I have "delisted" this year, I have been able to assess and provide feedback to a number of colleagues this season. I was also privileged to assist Roger Lamb (State Referees Coach) at Traralgon at the Men's Country Championships.

The most significant change for 2001 allows goalkeepers to "run with the ball"; the only restriction now is that they must release the ball into play within 6 seconds. And FIFA has clarified its ruling on jewellery. Its Mandatory Instructions to Referees now states: "Referees are reminded that, in accordance with Law 4, players may not wear any kind of jewellery."

My thanks go again to Geoff Boyle (Secretary) and Keith Maybanks (appointments s/cttee) for doing their jobs so well. And my appreciation indeed to all our members who officiate each weekend. Finally I wish BASL and everyone connected with it a successful and enjoyable Season 2001.

Neil McDermid (President)

Occasional Referees - a Guide to the Laws of the Game

Prepared by Neil McDermid, Chairperson, State Referees' Coaching Panel

The object of the game is to score more goals than your opponent.

A goal is scored when **the whole of the ball passes over the whole of the goal-line, whether on the ground or in the air, between the goalposts and under the cross-bar.**

Similarly, for the ball to go out of play, **the whole of the ball must cross the whole of the line.**

The Laws of the Game have been devised to guarantee **Fair Play** so that players may enjoy their game in safety. It is the referee's job to see that

- goal-posts, playing surface and players' equipment must be safe
- players **must wear shinguards** and **must not wear any jewellery** (it is not OK to simply tape over rings etc.)
- players who are bleeding must leave the field; you may allow them to return when the bleeding has been stopped, the wound(s) covered and any bloodstained clothing/equipment replaced
- trainers/first-aiders must wait for you to call them on when the game has stopped
- if you feel it is not safe to start/continue a game (any reason), you, as referee, have complete authority to abandon it. (And report the matter to the League)

Coaches: The Laws require coaches to stay within about 2 metres of the half-way line. If they become abusive, you have the authority to send them away.

Free-kicks:

• **Direct Free-kicks** (a goal can be scored direct against the **offending team**) are given if a player **recklessly, carelessly or with excessive force** commits any of the following offences **on an opponent**:

strikes/kicks/pushes/holds/trips/jumps at/
tackles from behind/charges dangerously

and against a player who deliberately handles the ball.

These Direct Free-kicks are taken from the place where the offence occurred, unless it is by a defender in his own penalty area. In this case a penalty-kick is awarded.

• **Indirect Free-kicks** (which must touch a second player other than the kicker before it goes into goal) are awarded:

[a] against a player who is shepherding, and for [b] offside.

NB make sure opponents are 9 m from the ball at all free-kicks and at corners.

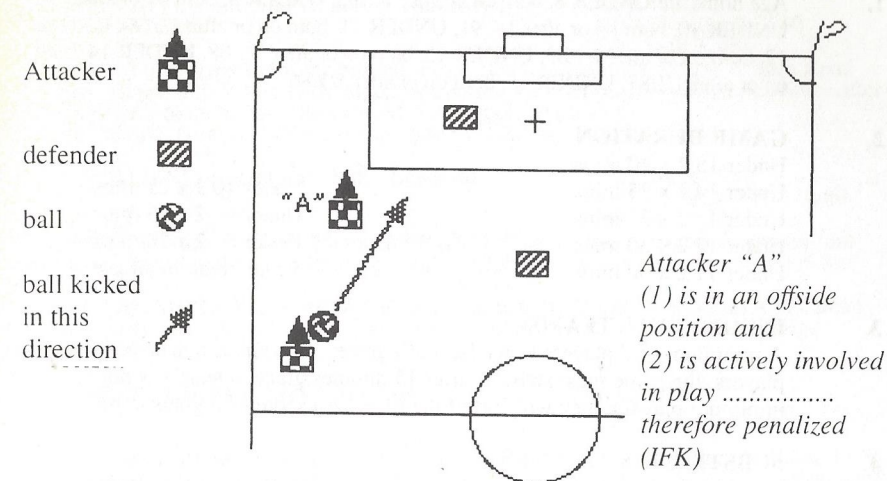

Offside: • A player is in an offside position if s/he is nearer her/his opponents' goal than the ball, unless [a] s/he is in her/his own half of the field of play,

or [b] s/he is not nearer their opponents' goal-line than at least two opponents (these include the goalkeeper).

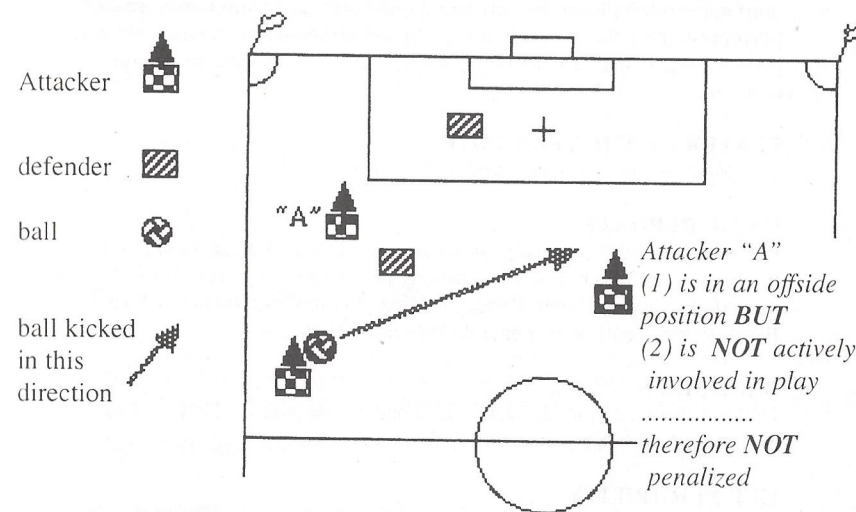

• A player is penalised for being in that position if, **at the moment the ball touches or is played by one of her/his own team**, s/he is **actively involved** in the play and **is gaining an advantage**.

• A player is not penalised just for being in an offside position or if s/he receives the ball direct from a goal-kick, corner-kick, throw-in or a drop ball.

Example - player penalised for being in an offside position

Example 2 - player not penalised even though s/he is in an offside position

Some final hints:

- at goal-kicks, the ball is not in play until it leaves the penalty area;
- if a player deliberately kicks with his foot, or throws from a throw-in, the ball to his own goal-keeper, the keeper may not use his hands; give IFK where handled.
- do not "over-officiate" - let the game flow without interruption as much as you can. (eg there is no need at all to blow your whistle when the ball has obviously gone out for a goal-kick, corner or throw-in)
- stop play if you believe a player may be seriously injured and call trainer(s) on to the field
- ENJOY your game and the players will too.

SOME RELEVANT JUNIOR GUIDELINES & NOTES

1. Age limits are UNDER 8, born on or after 1/1/93, UNDER 9, born on or after 1/1/92, UNDER 10, born on or after 1/1/91, UNDER 11, born on or after 1/1/90, UNDER 12, born on or after 1/1/89, UNDER 13, born on or after 1/1/88, UNDER 14, born on or after 1/1/87, UNDER 15, born on or after 1/1/86.
2. **GAME DURATION**
 Under 15 2 x 40 mins
 Under 14 2 x 35 mins
 Under 13 2 x 35 mins

4. **SUBSTITUTES**
 Any number of substitutes may be used on an inter-change basis. Referee must be notified when substitution occurs. Substitute must not enter the playing area until substituted player has left the playing area. If a team has more than 11 players on the field, all goals scored by the offending team while the extra player/s are on the field will be cancelled. A "sent off" player can not be replaced under any circumstances.
5. **PLAYER OF THE YEAR VOTE**
 No player of the year votes will be recorded.
6. **GAME REPORTS**
 Result sheets and voting slips must be placed in the box at McDonalds Restaurant by 2.00 pm on the Saturday of the game, by an official of the first named club, except when Bendigo teams play in Castlemaine or Kyneton, when Bendigo team will be responsible for return of sheets.
7. **BALL SIZES**
 Under 8 use size 3, Under 9,10,11,12 and 13 use size 4. Under 14 use size 5. Match balls to be provided by the first named team.
8. **CUP ELIGIBILITY**
 Players must have played in at least 3 championship games during the year to be eligible for Cup games.
9. **REFEREES**
 The first named club must supply the referee except where an official referee is assigned by the League.
10. **NON COMPETITIVE AGE GROUPS**
 Under 8,9,10 and 11 are non-competitive to the extent that no championship table will exist and no Knockout Cup will be played.
11. **GAMES MUST FINISH ON TIME**
